

Christiane E. Angermann, M.D.

Name: Christiane E. Angermann, M.D.

Education and Career

Studies and Degrees

1969 - 1975	Studies in medicine, music and philosophy, Universities of Cologne, Munich and Oxford (UK)
1977 - 1989	MD, resident and scientific assistant in Internal Medicine and Cardiology, Ludwig-Maximilians-University, Munich
1980	Scientific doctorate, Ludwig-Maximilians-University of Munich
1985	Board approval Internal Medicine
1988	Habilitation in Internal Medicine - Cardiology, Ludwig-Maximilians-University, Munich
1989	Board approval Cardiology

Positions

1988 - 1995	Senior Physician & Assistant/Associate Professor, Internal Medicine/ Cardiology Director non-invasive cardiology and heart failure and transplantation program, University Hospital 'Innenstadt', Ludwig-Maximilians-University of Munich
1995 - 2001	Professor of Internal Medicine and Cardiology, University Hospital 'Innenstadt', Ludwig-Maximilians-University of Munich
Since 2001	Professor of Medicine and Cardiology, Julius-Maximilians-University of Würzburg; Head, Outpatient Division Cardiology
Since 2010	Director, Clinical Research, Department of Medicine I and Comprehensive Heart Failure Centre
Since 2014	CHFC-Professor of Clinical Research in Cardiology and Heart Failure (Senior Professorship)

Scholarships, awards and grants

- Member of “Studienstiftung des Deutschen Volkes” (German Merit Foundation, since 1969)
- Scholarship for studies abroad (University of Oxford, UK, 1972-74) of the “Studienstiftung”
- MD Research Fellowship of the “Studienstiftung” (1976)
- Bavarian Program Promotion of Women in Science Award (2005-06)
- Individual Grant support by the Wilhelm-Sander Foundation, Ernst und Berta Grimmke Foundation and the Federal Ministry for Education and Research (BMBF, 2003-15)
- Grant support for an Integrated Research and Treatment Center of the BMBF (2010-20)

Clinical and research interests

- Heart failure pathophysiology, diagnosis, therapy, comorbidities
- Cardiac biomarkers
- SGLT2 inhibitors
- Iron metabolism
- Healthcare research and disease management in heart failure
- Telemedicine/remote patient management
- Cardiovascular imaging
- Prevention of cardiovascular disease
- Role of the central nervous system and of psychiatric disorders in the development and progression of coronary disease and heart failure)

Selected activities in large clinical trials

- Acquisition of funding, coordination and conduct (leader of clinical trial and proxy of sponsor) of numerous investigator initiated clinical multicenter trials:
- Interdisciplinary Network Heart Failure Study, BMBF 2003-2011.
- New diagnostic strategies in HF, Handheld-BNP Study, BMBF 2003-2008.
- MOOD-HF Study, BMBF 2009-2015, co-funded by Lundbeck AS Denmark
- BMBF-funded IFB Prevention of Heart Failure and its Complications (CHFC) 2010-2020 (as one of 5 members of the writing and conceptual task force).
- Member/head of Executive or Steering Committees and/or National Coordinator: e.g. Serve-HF, REVEAL, RELAX-AHF-EU, REPORT-HF, MEMS-HF, EMPULSE, TRANSITION-HF

Editor-in-chief

- Current Heart Failure Reports

Memberships

- German Cardiac Society (Deutsche Gesellschaft für Kardiologie)
- German Society for Internal Medicine (Deutsche Gesellschaft für Innere Medizin)
- International Society for Heart and Heart Lung Transplantation
- European Society of Cardiology (ESC Fellow)
- Heart Failure Association of the ESC (HFA Fellow)
- Society for Progress in Internal Medicine (Gesellschaft für Fortschritte in der Inneren Medizin)

Reviewer for (selection)

- Austrian Heart Stocks (Österreichischer Herzfonds), The Israel Science Foundation, Wilhelm Sander Foundation (Wilhelm Sander Stiftung), Ernst and Berta Grimmke Foundation (Ernst und Berta Grimmke Stiftung), Dutch Heart Foundation (Hartstichting), German Research Foundation (DFG), Federal Ministry of Education and Research (BMBF).
- Reviewer for the following Journals: American Journal of Cardiology, American Heart Journal, British Medical Journal, Circulation, Circulation Heart Failure, Clinical Research in Cardiology, Deutsche Medizinische Wochenschrift, European Heart Journal, European Journal of Heart Failure, Heart, JAMA, JAMA Cardiology, Journal of the American College of Cardiology (JACC), JACC Heart Failure, JACC Imaging, Nature Medicine, PLoS One.
