

31st Course on Microsurgery of the Middle Ear

February 25th – 27th, 2019

Department of Otorhinolaryngology,
Plastic, Aesthetic and Reconstructive
Head and Neck Surgery
University Hospital of Würzburg

Head: Univ.-Prof. Dr. Dr. h.c. R. Hagen

Introduction

Stefan Dazert

Rudolf Hagen

Dear Colleagues!

Welcome to the 31st Course on Microsurgery of the Middle Ear in Würzburg!

Microsurgery of the middle ear is one important part of our speciality. Besides classical tympanoplasty procedures, indications and special interventions for surgical hearing restoration experienced an enormous progress by the rapid development of new prosthetic and technical devices up to cochlear implantation and implantable hearing aids.

The surgical courses by the University ENT Departments of Bochum and Würzburg, established since 1988, have become an essential part in the education of starting and advanced middle ear surgeons. Based on active research and broad clinical experience these courses represent the actual state of knowledge in the field of hearing restoration. The complete spectrum of ear surgery is presented via 3D transmitted live surgery from two surgical theatres, active training is offered by standardized temporal bone exercises. Basic knowledge as well as diagnostic and therapeutic details are presented by experts.

Certainly, Würzburg offers much more than a surgical course. Take the advantage to explore Würzburg's historical sites by visiting ancient locations and enjoy the world-famous Franconian wine.

We are looking forward to welcoming you in Würzburg and experiencing a scientifically and personally enriching meeting.

Yours sincerely,

Prof. Dr. S. Dazert

Prof. Dr. Dr. h.c. R. Hagen

Monday, February 25th, 2019

07.30 **Registration**

08.00 **Welcome and introduction**

R. Hagen, Würzburg, S. Dazert, Bochum

08.15 – 12.15 **LIVE SURGERY**

Stapes, Tympanoplasty and Soundbridge®

Moderation: W. Shehata-Dieler, Würzburg

10.00 – 10.30 Coffee break / visit of industrial exhibition

12.15 – 13.15 Lunch

13.15 – 14.45 **INTRODUCING LECTURES**

Moderation: R. Hagen, Würzburg

Surgical anatomy of the temporal bone

J. Pahnke, Küssnacht am Rigi

Audiological standards for ear surgery

W. Shehata-Dieler, Würzburg

Neuroradiology of the temporal bone

T. Neun, Würzburg

**Management of traumatic and
otogenic complications**

K. Schwager, Fulda

Dissection of the temporal bone

K. Rak, Würzburg

14.45 – 15.15 Coffee break / visit of industrial exhibition

15.15 – 18.00 **WORKSHOPS AND TUTORIALS**
(PARALLEL SESSIONS)

► **Temporal bone exercises**

(Temporal bone laboratory,
please register in advance)

► **Workshop audiology and
electrophysiology**

(Comprehensive Hearing Center,
on-site registration at the
registration desk)

19.00

Staatlicher Hofkeller,
Welcome Reception

Meeting Point: 7 p.m. at the
Franconian Fountain in front of the
Würzburg Residence

Tuesday, February 26th, 2019

07.45 Opening of registration desk

08.00 – 12.30 **LIVE SURGERY**
3D HDTV projection,
Cholesteatoma, Revisions and CI
Moderation: S. Hackenberg, Würzburg

10.00 – 10.30 Coffee break / visit of industrial exhibition

12.00 – 13.00 Lunch

13.00 – 15.00 **GENERAL LECTURES**
Moderation: S. Dazert, Bochum

Tips and tricks in middle ear surgery
J. Helms, Tübingen

Concepts and treatment of cholesteatoma
S. Plontke, Halle

**Reconstruction of ear drum and
ossicular chain**
G. Geyer, Solingen

Treatment of otosclerosis
S. Dazert, Bochum

Surgery for Menière's disease
G. Baier, Darmstadt

The Bonebridge™ in children and adults
J. Gavilán, Madrid

15.00 – 15.30 Coffee break / visit of industrial exhibition

15.30 – 18.15 **WORKSHOPS AND TUTORIALS**
(PARALLEL SESSIONS)

► **Temporal bone exercises**
(Temporal bone laboratory,
please register in advance)

► **Workshop audiology and
electrophysiology**
(Comprehensive Hearing Center, on-site
registration at the registration desk)

Wednesday, February 27th, 2019

07.45 Opening of registration desk

08.00 – 12.30 **LIVE SURGERY**
3D HDTV projection,
Neuroma, Tympanoplasty and CI
Moderation: : K. Rak, Würzburg

10.00 – 10.30 Coffee break / visit of industrial exhibition

12.00 – 13.00 Lunch

13.00 – 15.00 **SPECIAL LECTURES**
Moderation: W. Shehata-Dieler, Würzburg

Tumors of the temporal bone

R. Hagen, Würzburg

Treatment of acoustic neuroma

M. Scheich, Würzburg

Diagnostics for cochlear implants

P. Schendzielorz, Würzburg

Cochlear implant surgery step by step

A. Radeloff, Oldenburg

Preoperative assessment for active middle ear implants

S. Kaulitz, Würzburg

Current aspects in active middle ear implants

R. Mlynski, Rostock

15.00 – 15.30 Coffee break / visit of industrial exhibition

15.30 – 18.15 **WORKSHOPS AND TUTORIALS**
(PARALLEL SESSIONS)

► **Temporal bone exercises**
(Temporal bone laboratory,
please register in advance)

► **Workshop audiology and
electrophysiology**
(Comprehensive Hearing Center, on-site
registration at the registration desk)

18.15 End of course

Monday, February 25th, 2019

Welcome reception at the
"Hofkellerei, Würzburg Residenz"
(buffet and wine-tasting)

Special note

The temperature of the wine-cellar varies between 13 to 17 °C, warm clothing is recommended.

Meeting point

7 p.m. at the Franconian Fountain
in front of the Würzburg Residence.

MEDEL

Unparalleled MRI Safety SYNCHRONY Cochlear Implant

With a revolutionary self-aligning magnet, SYNCHRONY is conditionally MRI safe even at 3.0 Tesla without magnet removal, the highest MRI safety available.

The rotatable, self-aligning magnet of the SYNCHRONY Cochlear Implant.

Information for Participants

Course venue

Department of Otorhinolaryngology,
Plastic, Aesthetic and Reconstructive Head
and Neck Surgery
Lecture Hall, 1st floor
University Hospital of Würzburg
Josef-Schneider-Str. 11
D-97080 Würzburg

Participation fee

- ▶ 300 € Course fee;
add. 220 € per session (180 min.) for temporal bone
exercises for early registration until 31st December, 2018
- ▶ 350 € Course fee;
add. 250 € per session (180 min.) for temporal bone
exercises for later registration from 1st January, 2019

Bank account

Recipient: University Clinics of Würzburg
IBAN: DE73 7905 00000044610582
BIC (Swift-Code): Byladem1SWU;
Banking Institution:
Sparkasse Mainfranken Würzburg
Reference on transfer:
"8601467 microsurgery", and additional your subscriber
number (as received with your registration confirmation)

Confirmation letter

A confirmation letter will be sent upon receipt of your
registration form. Please inquire if confirmation does not
reach you 2 weeks after your sending.

Chairmen

Univ. Prof. Dr. S. Dazert, Bochum
Univ. Prof. Dr. Dr. h. c. R. Hagen, Würzburg

Organisation

PD Dr. K. Rak, Würzburg

3D HDTV video technique

M. Bogár, W. Wabbel

Course secretary

Mrs C. Binder, 1st floor, in front of the auditory.
Phone during the course: [+49] [0]931 / 201-21701
(8 a.m. to 4 p.m.)

Lunch

Exhibition area of the venue, next to the auditory

Parking

Limited facilities in front of the head clinic and at the
parking area "ZOM", Straubmühlweg (signposted at the
"Josef-Schneider-Straße")

Accommodation

1st edition

Spot-on

When using a too long prosthesis, the tension-sensitive annular ligament of the stapes footplate is pre-stressed. This can have a negative influence on the postoperative hearing result.

The **TTP-VARIAD® SYSTEM** helps to determine the exact distance and adjust the prosthesis to the appropriate length. Unintentional tension can be avoided.

TTP-VARIAD® Total Prosthesis
Adjustable Length

TTP-VARIAD® Partial Prosthesis
Adjustable Length

≤	Shortest partial prosthesis: 0.75 mm FL
🏥	Clinically evaluated
🔦	MRI conditional 7.0 T
↺↻	Full range in one system
